

9. Jesus unreservedly and unashamedly referred to what when He spoke?

10. To buttress His point about divorce, Jesus had no hesitation quoting from what?

11. How did Jesus take the historical accounts of the Old Testament?

12. You cannot believe in Jesus and the New Testament without also accepting what?

13. According to Jesus, how did this universe get here?

14. If you believe that the world and the human race came through evolution you have to believe that:

a. Jesus didn't _____
or b. He did know that none of this was true but He chose to continue the what?

15. According to the text of Scripture God chose to create everything in how long of a period?

16. Could God have chosen to do the work of creation over a period of 6 years, 6 decades, 6 millennia, or 6 billion years?

17. Compromise #1 in this discussion is what?

18. Those who embrace theistic evolution say that God's Word reveals the facts of creation but not what?

19. What is the first problem with the theistic evolution view?

20. The very first step in God's work was when He created what?

21. Fill in the blanks: "In the beginning"—that's _____,
God created (out of nothing) the heavens— that's _____
or _____, and the earth— that's _____"

22. What is a second problem with the theistic evolution view?

23. What is the significance of the words, "according to its kind..."?

24. What is a third problem with the theistic evolution view?

25. A fourth problem with theistic evolution is that it does what?

26. Left to themselves, things in this world get what?

27. What is the second bad compromise in relation to creation?

28. Progressive Creation would say that there were key times along the way when God did what?

29. Is there really any advantage that Progressive Creation has over theistic evolution?

30. What is the third compromise in relation to creation?

31. Under this compromise the "days" of creation are what?

32. Why is the Day-Age Theories view of "day" not a viable option (several evidences)?

33. A major problem with all three of these views is that what would have been a part of the process?

34. Death came into the world through what?

35. What is the fourth compromise in relation to creation?
36. The Hebrew text does not point to what in verses Genesis 1:1-2?
37. God didn't create planet earth in verse 1, He created what?
38. Verse 2 is describing the condition of this God-created matter as black hole matter without what?
39. What is the fifth compromise in relation to creation?
40. This compromise says the creation story is not actual history but is merely what?
41. The rest of the authors of Scripture throughout the Old and New Testament refer back to Genesis as what?
42. God doesn't do what when He speaks?
43. Are you being responsible to continue probing, examining, and investigating this account found in Genesis, to seek to really understand all that God has said?

Remember: Your responsibility, by God's enabling, is to consistently apply the divine principles and truths you have heard (Philippians 2:12-13; I Timothy 4:7-9; James 1:22-27). As you meditate on this message, ask yourself these questions:

- »»How does God want my beliefs/actions to change?
- »»How can I accomplish this change?
- »»What is the first step toward bringing about this change?
