

How to Study the Bible (Pt. 7)

The Evidence

Introduction:

- Are there evidences that the Bible is trustworthy?

Seven Evidences of The Reliability of Scripture:

1.) The Contents of Scripture

- Man on his own would not write about sin, condemnation, hell, etc.
- The unity of Scripture

2.) The Influence of Scripture

- It's influence on society
- It's influence on individuals

3.) The Self-claims of Scripture

- Over 4,000 claims in Scripture
- Concern of circular reasoning

4.) The Indestructibility of Scripture

- Matthew 24:35
- 2 Timothy 2:9

5.) The Historical & Scientific Accuracy of Scripture

- Continuing to prove to be true

6.) The Fulfilled Prophecy of Scripture

- 1 Kings 13:1-2
- Daniel 9

7.) The Character of the Author of Scripture
