## Breakout Discussion Question(s)

What amazes you most about the church?

Community Group Discussion Questions: *Answer the following questions **before** Community Group:*

1. Paul was willing to change course in his ministry from Jews to Gentiles. Is there a direction that God could be nudging you to pay more attention to, either now, or at some point in your future?
2. Brainstorm some OT examples of God's love for Gentiles. What does this tell us about the character of God?
3. How does the NT concept of the church show the profoundly deep love of God?
4. Work through Ephesians 3:11-12. What is the application of v.12 for the believer's life today? How should this impact set aside prayer time and prayer time throughout the day?
5. How does understanding God's heart for the nations as seen in the church lead to Paul saying what he does in v.13? How should this impact our willingness to follow God into hard places?
