3. Review the three roles for men in marriage. If the man is not fulfilling these three roles, who is he ultimately transgressing against? Why does it matter (i.e. consequences)?
4. What does it look like to maintain the truth of Ephesians 5:21 while also fulfilling the God given roles specified in Ephesians 5:22 and 5:25?
5. How does keeping God at the center of the marriage inform, motivate, and change the dynamic of how a husband and wife relate to one another? What impact might this have on their children? What about when this kind of marriage is not present/
