

# Solomon's Observation of TIME

Notes:

## Outline:

1. Observations about Time (vv.1-8)
2. Explanation about Time (vv.9-11)
3. Application Regarding Time (vv.12-14)

## Reflect & Change

1. How do I view my time? Do I always view the time I have been given as a gift?
2. How does what I know to be true in the gospel affect the way I choose to use my time?
3. How does the knowledge of God ordaining the timing of every event in my life affect the way I respond to trials, tragedies, and disappointments?
