

10. If you embrace evolution, to be consistent, you have to say that either Jesus

- a. Didn't _____ what He was talking about when He _____ the creation of the universe & mankind, or
- b. Did know that none of this was _____ but He chose to continue the _____.

11. God's account in Genesis 1 is that He created this universe, including mankind, over what period?

12. Could God have done His creation in a second, an hour, a day, a month, or a millennia, or even 6 billion years? What would have determined this?

13. God has given us His creation account in words, therefore we need to understand what?

14. Any serious student of the Scripture knows that the same word can be used in different ways when used in what?

15. What New Testament word is used in two different contexts and means two different things?

16. Why is the Sea of Galilee called a sea in Joshua 13:2 when it really is a fresh water lake?

17. Is it accurate to say that the word "agapao" (Love) is the word used in the Bible to describe the pure love of God?

18. What is the first problem with saying that verse 1 is a title statement?

19. What word in verse 2 makes verse 1 seem like more than a title?

20. The creation account of Genesis 1 has a summary title where?

21. What do "the heavens and the earth" NOT refer to?

22. God uses the words "heavens" and "earth" in verse 1 to tell us that the very first step in His work was when He created what?

23. "Ex-nihilo" or "out of nothing" only refers to what part of creation?

24. Fill in the blanks: "In the beginning" that's _____; God created (out of nothing) the heavens—that's _____ or _____, and the earth—that's _____."

25. God defines the waters separated from the solid land as "seas" in vs. 10, thus God is telling us that the water in vs. 2-9 He does not define as what?

26. Where does God describe the forming of planet earth?

27. What three terms in verse 2 are used in a parallel sense (thus referring to the same thing)?

28. Only one time does create the material of the universe. That is described where?

29. The earth in verse 2 is described as what?

30. Everything in verse 2 is what?

31. Verse 2 is describing the condition of this God-created matter as black hole matter without what?

32. In verse 3, God creates what (beginning the process of changing the black hole into the universe we see today)?

33. The dividing of light from darkness in vs. 4 might be the origination of what?

34. On day two of creation, God made the firmament (expanse). The term "firmament" means what?

35. Many Scriptures refer to this event as the stretching out of what?

36. The "heaven" of verse 8 refers to what (as opposed to the heavens of verse 1 which refers to the substance of which it is made)?

37. The way we might say this in modern English would be, “God called the vast number of stretched out spaces...” what?

38. On day 3 God created what?

39. On the fourth day God took the liquid masses of matter that are spread throughout the universe and shaped them into what?

40. The 5th day of creation is when God filled the sky and the water with what?

41. The phrase, “according to its kind” helps us understand that what type of evolution does not line up with either Scripture or accurate science?

42. What is the pinnacle of God’s creating and making work?

43. Fill in the blanks: “God did not create this world through the means of _____ evolution, _____ creation, the day-_____ theory, or the gap theory.”

44. Could God have done it by any of those ways (listed in # 43)? What would have determined that?

45. What is one thing God does NOT do when He speaks?

“The Bible was not given to make you a smarter sinner, but rather to make you more like Christ!”

Dr. Howard Hendricks

Remember: Your responsibility, by God’s enabling, is to consistently apply the divine principles and truths you have heard (Philippians 2:12-13; I Timothy 4:7-9; James 1:22-27). As you meditate on this message, ask yourself these questions:

- »»How does God want my beliefs/actions to change?
- »»How can I accomplish this change?
- »»What is the first step toward bringing about this change?

GOD’S CREATION ACCOUNT

Genesis 1
(RATE Conference 2007)

The following are questions designed to facilitate greater learning and deeper understanding of spiritual truths presented in the sermon: **“God’s Creation Account”**. All of the questions are answered as the sermon is presented. We hope that it will be a catalyst to spiritual growth in your life.

1. The text we are going to look at this morning is most intimidating because it is God’s own account of the what?
2. The more we learn about this universe, the more we realize its what?
3. God’s own account of His creation is found in what section of Genesis?
4. Why does Pastor Bryan say that this section is God’s own account?
5. What does the Lord Jesus do with the book of Genesis and other stories in Hebrew Scripture that are considered bizarre by the mind of modern man?
6. How many of the events recorded in Hebrew Scripture (the Old Testament) did Jesus Christ believe were true, actual events?
7. You cannot believe in Jesus and the New Testament without also accepting what?
8. According to Jesus, how did this universe get here?
9. If you believe that this world and humans came about through the process of evolution, you cannot believe in Jesus and be what?
