## Prayer and Praise:

How can we thank and praise the Lord for His provision in our lives?

	Please pray for our church family that we would see that having meaningful relationships in the local church as part of what it means to be a Christian.
	After prayer, please continue praising God through the song "Speak, O Lord." Hopefully your CG Leader will have copies of the lyrics.
To	ogether in the Word:
1.	How have you responded to the reality of God's supremacy and sovereignty in your own life?
2.	How could you encourage someone who is struggling with the concept of God's sovereignty to listen for "the voice of the LORD"?
3.	If God doesn't need anything, why should I worship Him by giving Him praise? What is a better question that you could ask to redirect an individual who is asking such a question?
4.	Why is dying to self so difficult? How can you cultivate this practice in your life?
5.	How does hearing "the voice of the LORD" affect your perspective regarding living a life of worship in surrender to Him? How can you grow in this area?
6.	What "good" thing has God, in His Sovereignty, given to you that you never would have prayed for?
