Dear GBC family,

Hear my cry, O God, listen to my prayer; from the end of the earth I call to You when my heart is faint. Lead me to the rock that is higher than I, for You have been my refuge, a strong tower against the enemy. - Ps. 61:1-3

"When darkness seems to hide His face, I rest on His unchanging grace."
Although these seem like uncertain times, we do not serve an uncertain God. God is still good. He is still on His throne. He is still in control. And, He still cares about His saints.

To help us as a church fellowship plan well, this email hopes to give direction based on the latest government recommendations/directions.

Sunday Corporate Worship Gatherings

As a means of honoring older and immunocompromised people, we will not have our normal corporate worship gatherings on Sunday, March 22. Instead, as we have been doing, we plan to make available the corporate worship service on Grace Bible Church's website starting at 9:00am on Sunday. This fits in line with the governor's statement strongly recommending groups not gather together.

Mid-week Ministries (CrossLife, Jr. and Sr. High Youth, Awana, Music Ministry)

Following the direction the governor gave regarding schools not meeting for the next two weeks, GBC mid-week ministries will not meet this week nor next week. This includes groups from outside GBC, as well (BSF, CBS, Classical Conversations).

Community Groups

We are encouraging the groups to follow the president's recommendation of not gathering in groups of ten or more. This is a good way of loving our neighbors and seeking to submit to our governing authorities. In light of this, like all other mid-week church ministries/meetings, we are suspending groups this week and next week. Some particularly small groups might choose to meet at their discretion.

However, this note is not simply addressing what is NOT happening. As our Lord directs, consider serving in the following new ministry:

Basic Needs Ministry

The Coronavirus is giving the church opportunities to minister to our local body, as well. The Basic Needs Ministry is being organized for individuals who need their basic needs met, such as grocery shopping, during these days when guidelines advise that older people and those with underlying health conditions stay home. If you or someone you know needs assistance, please contact

heidi@gbcmt.org or call the office.

God graciously gives us things we would never have the strength to ask for because He is growing us into the image of His Son. Lord, strengthen us to grow well and shine as Your light in these days!

Trusting in the One Who sits on the throne,

Pastor Jeremy
